—CREATING MEMORIES—

LEAVE YOUR MARK

THE STORY OF TAYLOR'S PLACE

Tom Wallace, beloved friend and colleague, is the heart and inspiration behind Taylor's Place — a tranquil sanctuary nestled on thirty acres west of Katy, where families navigating terminal illnesses can create lasting memories. During his four-year battle with cancer, Tom devoted time to his loved ones, determined to make memories with his wife and four-year old daughter, Taylor. In his memory, we've created Taylor's Place, a space where families can build lasting ties whether it is through activities like fishing, playing music or spending time in the idyllic outdoors.
